

Exclusive insurance facility for members of the British Society of Echocardiography (BSE)

Information for new applications and renewals effective from 1st May 2020

This facility is exclusively for members of the of the British Society of Echocardiographers to provide them with insurances required in the conduct of their private practice activities.

The facility is available to **ACCREDITED & NON-ACCREDITED** members who are either **Individuals, Sole Traders** or **Limited Companies**

**** We can also cater for individuals or larger companies who fall outside the acceptance criteria of the facility, or who require higher limits or need cover for more invasive procedures – Please contact us to apply****

A new and improved insurance facility has been negotiated with Hiscox Underwriting Ltd which is available to all members of the BSE offering substantial premium savings and improved coverage which may be available elsewhere on a standalone basis. For all new cover applications and existing member insurance policy renewals effective from 1st May 2020 cover will no longer be placed with the previous insurers Axis Underwriting.
